PROFESSIONAL SUMMARY

Full-stack developer with hands-on experience building responsive web applications using PHP, ReactJS, JavaScript, and MySQL. Proven track record of delivering client projects on schedule, integrating third-party APIs, and collaborating in cross-functional teams. Strong foundation in data structures, algorithms, and Java/C/C++.

TECHNICAL SKILLS

Languages: C, C++, Java

Web Stack: PHP, ReactJS, JavaScript, Tailwind CSS, Servlets, JSP

Database: MySQL

Tools & Platforms: Git, GitHub, Eclipse, Android Studio, Visual Studio, Linux, Apache Tomcat, WordPress

EXPERIENCE

Full Stack Developer Intern | Sewacity.com, Patna

Jan 2024 – Jun 2024

- Engineered 4+ responsive web application features using PHP, ReactJS, JavaScript, and Tailwind CSS, improving UI consistency across devices
- Integrated 3 third-party APIs to extend website functionality, reducing manual data-entry workload for the team by an estimated 30%
- Delivered 2 client-facing projects on schedule as part of a cross-functional team, with zero missed deadlines
- Debugged and resolved recurring issues in production code, improving page stability and reducing user-reported errors

PROJECTS

Crime Data Management System

- Built a full-stack criminal records management system using Java, Servlets, JSP, and MySQL, deployed on Apache Tomcat 8.5
- Designed the database schema and backend logic independently, demonstrating end-to-end full-stack development

KhetGuru App

- Developed an AI-assisted Android application supporting crop management, disease identification, and weather-based recommendations for farmers
- Implemented secure OTP authentication and multilingual support, expanding accessibility for non-English-speaking users
- Integrated cloud-based APIs to deliver real-time agricultural data, improving decision-making speed for end users

EDUCATION

BCA — Institute of Management Studies, Noida | Chaudhary Charan Singh University, Meerut Jun 2021 – Jun 2024

Percentage: 70.58% | Coursework: Data Structures & Algorithms, C/C++/Java, Operating Systems, Computer Networks

CERTIFICATIONS & ACHIEVEMENTS

- PHP & MySQL Certification — IIT Bombay
- Presenter, 7th International Conference on Internet of Things Applications
